Jaromír Fišer

Curriculum Vitae

- Name: Jaromír Fišer
- Date of birth: 27 Dec, 1973
- Nationality: Czech

Academic Background

- June 2004 • PhD in Technical Cybernetics at the Department of Instrumentation and Control Engineering of Faculty of Mechanical Engineering, Czech Technical University in Prague (FME CTU). [1]
- Sept 1993 – June 1998 • MSc in Mechanical Engineering at the Department of Automatic Control and Engineering Informatics of Faculty of Mechanical Engineering, Czech Technical University in Prague (FME CTU). [2]

Teaching Experience

- Courses in Computer Use Fundamentals at FME CTU in Prague
- Courses in Automatic Control taught both in native tongue (czech) and in english at FME CTU in Prague

Research Stay

- July 29 – Aug 5, 2006 • Summer Workshop on Emergent Dynamic Properties of Photosynthetic Organisms, Institute of System Biology & Ecology, Nové Hradky, Czech Republic

List of Publications

- [1] Fišer J. Control of Time Delay Systems in Sliding Regimes Using Anisochronic State Feedback. PhD Thesis, Czech Technical University - Fac. of Mechanical Engineering, 2004. (in czech)
- [2] Fišer J. Temperature Control in Laboratory Greenhouse Model Using State Feedback. MSc Thesis, Czech Technical University - Fac. of Mechanical Engineering, 1998. (in czech)
